

Spirit of Nog*fest Yet to Come

I am the Spirit of Nog*fest yet to come
 And when I look into the future, what do I see?
 Only one more Nog*fest is waiting for thee.

But do not be sad, be of good cheer.
 Nog*fest 20 will rock the stratosphere!
 So eat, drink, and be merry!
 Boogie until you wear out your derriere-y!

And when you get home, take a long rest.
 Then get to work on your costume, make it
 your best.
 For our last Nog*fest will too soon come,
 And We'll want to make our hosts proud of us,
 Harry and Kay Lum.

Jackie's hair is the only thing Gray now!
 HA HA HA

Holy cow! The last time I was at Nog*fest, everything was Black and white!

My name is Pat.

Let's have some NOG and BEER!

I'm a groupie!

There's so much going on here! I may have to knock things over!

Nog*fest was easier when we were young, we could just stand there and win a prize!

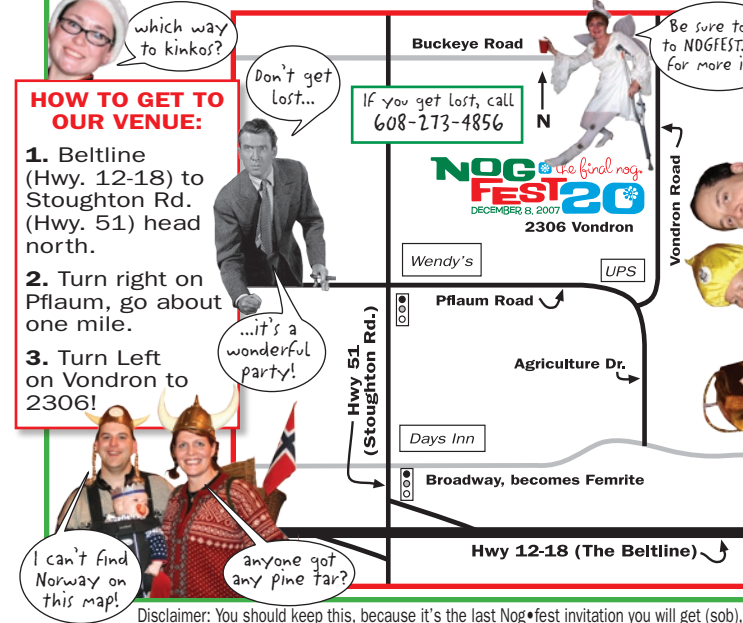

C'mon kids! You know how to Rap... just like I taught you! That guy over there is doing it all wrong!

I have been in every invitation except the first nog (I was only 2 months old).

HEY PAT! we got a backup band for ya!

...but they only know one song.

Be sure to go to NOGFEST.COM for more info!

Someone Tell me where Nog*fest is!

We are the 3 kings from Brainerd...

Will there be lots of wooden soldiers in your lineup?

What am I getting info?

My name is Pat.

Just let me know what chord to play Pat.

Pat is nothing without me as backup!

wear a costume you can dance in!

Just let me know when you want me to sing, Pat!

this is your LAST CHANCE!

never been to Nog•fest.

AFTER 20 YEARS, WE STILL NEED TO TELL YOU ALL THIS STUFF

The Lums are busy making preparations for the **FINAL Nog•fest**, so they surveyed veteran attendees and chose a select few to answer the most commonly asked Nog•fest questions.

because you serve lots of good beer?

Do you know why this party is called Nog•fest?

We baked a special batch of cookies!

Q: Will there be FOOD there?

A: The Lums leave that up to us, the guests! (Some hosts!) They supply a few crackers and bits of cheese, but that's it! They claim they are "too busy" decorating and stuff. They say it's "optional" but they ask everyone to **bring a dish to share**. It doesn't have to be homemade (but everyone knows that's what they hope for). Personally I'll just have the head nun whip something up, so I'm covered.

Father Jeff

I'm Kay's Dad.

Q: When is this Noggy event?

A: Well, I don't need to remember because I know Mama will remind me. She says that it's always the second Saturday in December, so that would be **December 8th** this year. It usually starts at 7 p.m., but this year, since it's the last year.. it's starting at **6 p.m.** I suggest wearing your pajamas though, because it will end way past your bedtime.

I knew jammies were the way to go!

Mama (in her kerchief) and I (in my cap)

(yeah, special store bought cookies glued to a cookie sheet)

Q: Do we get gifts?

A: Is that all anyone cares about these days? Gimme gimme gimme..that's all I hear, and I'm really sick of it! If you want to receive a **\$6 (perceived value)** gift, well then, by gosh, ya gotta bring one. I guess they refer to this as the **optional gift exchange.**

Bad, Bad Santa

I'm gonna miss this party!

Q: Where does all of this happen?

A: They outgrew the previous venue several years ago, so now Nog•fest is held at a warehouse in the Nog district. Just look for me. The address is **2306 Vondron Road, Madison, WI.** (see map on other side.)

Mr. Rope Light Sign

Q: What is the suggested attire?

A: Portez quelque chose Noggy! How about in English, you silly hen! It's a **Christmas costume party**... so wear a costume that is Noggy! For example, we are the Three French Hens... get it? pretty funny, hey? You can see other ideas all over this invitation. They also have a parade of costumes, so you can strut your stuff and maybe even win a valuable prize! If you had a great costume from a past Nog•fest and you want to relive that memory, feel free to wear it again! (And bring a photo from the first time!)

Je suis une poule Française

Three French Hens

Tap Tap... Jack foot here!

My window is a bit dirty...

We don't do windows, either.

hey.. since you have those duster thingys.. the stage could use some dusting...

YOU have to wear one too then, Honey!

I think you should wear a costume like that this year, honey!

get yer peanuts, spam and hash...

Non-perishable food for sale! Get it while its fresh...

OK, so I'm a fallen angel, can you help me up anyway?

Just so you know, I had this lampshade on my head when I got here, ok?

Food Pantry Volunteer

Ebenezer Jim

Anonymous beer drinker

We're not in Brainerd anymore, are we?

Q: Will beverages be available?

A: That reminds me... my cup is empty.

I can answer that question! They have many varieties of **Good beer!** (not just that light stuff), **PLUS soda, water** and my favorite - **Egg Nog!** They even have **brandy** and **rum** to add too!

they even have nutmeg!

Nog•fest is a good reason to dress this way.

Q: Is there admission?

A: Bah! Of course there is, what did you think, all of this was free? But this admission is easy to swallow... literally! All the Lums ask for is that you **bring one non-perishable food item!** They will go to a local food pantry! It sorta warms your heart, doesn't it?

Q: WHY is this the Final Nog?

A: Now THAT is a darn good question!

Let's spin her so she forgets that this is the last nog fest.

uh, hello! I can hear you!

Well, this is it! The last Nog•fest. Over the past 20 years we have had many laughs, and gained many friends and wonderful memories. Without all of you, Nog•fest could not have existed. Thank you! (if you have
